To all Members:

Thank you for your generous contribution that will help us to identify more rioters and bring them to justice.

On March, 8th 2012, the Integrated Riot Investigation Team launched a massive poster campaign that saw 70,000 posters handed out in less than 12 hours across 19 cities in 75 locations, by over 400 volunteers and police officers. Since then campaign members of the public have sent in more than 370 tips. Already, investigators are following strong leads on 20 of the 100 pictures featured on the poster; including leads on some of our "5 most wanted rioters," who are accused of attacking *Good Samaritan* Robert Mackay.

By many measures Riot Roundup 2 was a resounding success, as evidenced by the tremendous outpouring of public support. The large number of volunteers assembled in a short time unquestionably shows the public still care about the victims and want to ensure that rioters are held accountable for what took place on June 15th, 2011.

To date, we have recommended 432 criminal charges against 150 rioters, and with your continued support we expect to see many more charges announced in the near future. Thank you once again for your outstanding contributions and sense of civic duty.

Sincerely,

A handwritten signature in black ink, appearing to be "J. Chu".
